

### KEY FEATURES

- The ICON™ Helix Cam Handle is designed to suit our Vantage® Designer Series and Elevate™ Architectural Series awning and casement windows.
- Manufactured from 316 grade stainless steel.
- The wedgeless design provides durability in high use applications
- Matching hinged, bi-fold and sliding door furniture available

#### AWNING & CASEMENT

ICON™ cam latch can be fitted to awning and casement sashes. The latch is available left or right hand.

#### SMOOTH OPERATION

As the ICON™ lever is operated, the nylon retention folds up and allows the sash to swing open.

#### HIDDEN FIXINGS

The ICON™ lever is secretly fixed to the sash.

#### HEAVY DUTY

We offer a range of heavy duty sashes that can be fabricated in large sizes and are supported on heavy duty four bar friction stays.
